

## **Jasmine - Thoroughbred Mare**

Age: 13-14 years

Size: 16.3hands

Color: Grey

Breed: Thoroughbred

Jasmine is another rescue that is ready for a great home. She is current on all shots, has been wormed and feet trimmed.

Jasmine is a little shy, but she is getting better every day. She moves beautifully when she's trotting or cantering out in the field, but tends to drag her rear feet when she's lazing around the barn. Jasmine also has lumps at her jawline, due to scar tissue from infection (I guess!)

This girl is peaceful and very quiet; possibly a great companion horse. Please consider adopting Jasmine... she deserves a caring home where she won't be hungry ever again!

Please contact Susie Steffensen at 513-505-4758 to come see this sweet mare or call the Clermont Co. Animal Shelter at 513-732-8854.
