

# In Remembrance...

## Buy-a-Brick Campaign

Help pave the way to a bright future for the shelter by purchasing an engraved brick which will be prominently displayed at the new building location.

Would you like to memorialize a special loved one that has passed? Would you like to dedicate a brick to someone who makes life special? Or would you like others to know that you are a concerned animal supporter?

*Our Mission* is for the purpose of fostering the adoption of unwanted animals and enforcing the humane treatment of all animals.

You can help us with our mission by purchasing a personalized brick to memorialize or pay tribute to a beloved pet or special animal lover.

*Our Vision* is to be recognized in the community as the adoption center of choice and as the primary network resource of animal information.

Help us realize our vision. Your brick will be displayed at the newly constructed animal shelter.
